

# DONATION APPLICATION FORM

*FITNESS CANNOT BE BORROWED, BOUGHT, OR BESTOWED; LIKE HONOR, IT MUST BE EARNED.*

The Big Sky Wind Drinkers accept requests for donations to individuals and organizations as they coincide with the BSWD mission as a 501(c)(3) non-profit charitable organization. Since 1973, the initial founders began the club “in the interest of promoting physical fitness through running/jogging and competition.” The club remains committed to its initial reasons for inception. Thus, BSWD considers requests that support the pursuit of running and physical fitness, as well as community efforts that are dedicated to these end goals. In the past, the club has supported the Gallatin Valley Land Trust, the Montana Senior Olympics, the Bozeman Track Club, and a number of other beneficiaries. More information on past recipients of financial support can be found by clicking [here](#).

Due to an increase in requests for funding and a desire to maintain a fair process, the BSWD now will evaluate all proposals simultaneously on a quarterly basis.

***This request for funding does not replace our scholarship application, which can be found by clicking [here](#).***
